Dear Parents and Friends

2016 VCE Results
Congratulations to Ethan Harkins on his outstanding VCE achievement with an ATAR score of 98.35. Well done also to the following high achievers on their impressive VCE results: Mateo Glavan, 95.7; Jann Baluyut, 93.35; Nathan Malkoun, 92.7; Alexander Bouris 91.9; Tim Dinh, 91.9; Jade Fellows, 91.7; and Connor Healey, 91.1. It was also pleasing to note that the top 30% of students in the Class of 2016 matched State ATAR outcomes and that the top 40, 50 and 60 percent outperformed the State in ATAR results.

Destinations of the Class of 2015
The Department of Education recently provided their annual report on the destinations of the previous year’s school departees. It was very pleasing to note that all surveyed participants, in the Emmanuel Class of 2015, were successful in achieving a post-secondary pathway.

College Board
Best wishes and thanks to Chris Maine who this year completed his sustained and generous service as Honorary Accountant on the College Board. Chris was committed to achieving the very best outcomes for the College in supporting our mission of Catholic education in the Marianist tradition. Thanks also to Kristy Ficior and Jack Wilson as student members over 2016. Congratulations to Liza Kozlovska and Dayne Langley on their appointments as student members of the Board for next year.

Departing staff
Best wishes, and thanks for their valued contribution, to departing staff: Scott Harris, Dat Che, Clayton Zwanenburg, Yvonne Tran, Ross Vernon, Dexter Bituin, David Mitchell, Andrea Roberts-Davison, Debra Ridge, Peter Mossemenear, Georgia Sue, Maria Dance and Lauren Luttick.

Celebration of Excellence
Congratulations to the many students who were recognised for the excellence of their achievement over the year at the Celebration of Excellence evening and College assemblies. A list of their achievements is included with this newsletter. Well done also to our talented musicians on the quality of their performances on the evening.

Annual Christmas lunch for the homeless
Staff and students, led by Leader of Faith and Staff Development, Chris O’Malley, did a magnificent job as key contributors to the annual Christmas lunch for 450 homeless people, recently held at St Augustine’s Hall in Yarraville. The lunch was the culmination of the year’s work by members of the College community in the Soup Kitchen program.

Australian Scout Medallion
The Australian Scout Medallion is the highest achievement, nation-wide, for a Scout. Congratulations to Paddy O’Donnell, 8Chaminade, on being awarded the Australian Scout Medallion in recognition of his leadership, organisation, determination, resilience and high-level practical scouting knowledge.

College building works
Substantial capital works have commenced in the Quiroga and McCoy Hall precincts at Notre Dame and St Paul’s Campuses respectively. These works will affect access to the College during the period of the works. Apologies for any inconvenience incurred at these times.
School Sport Victoria
For many years the College has been an affiliate member of School Sport Victoria. This provides our students with the chance to try out for state teams in a wide range of sports. Earlier this year we were informed that the fee for Emmanuel to be an affiliate member of SSV would increase by 100% next year. Attempts to negotiate a more reasonable increase have been unsuccessful. As a result, schools in our Sporting Associations have informed School Sport Victoria of their intention not to renew their membership. Associations in other independent sectors have indicated to SSV that they are likely to follow suit. The result of this is that, currently, students from most non-government schools will not be eligible for state representation through SSV teams in 2017. I am hopeful that a resolution to the current impasse will be negotiated early in the new year.

Conclusion of classes – 230pm
The College has approved classes concluding at 230pm for the following Mondays over 2017, to allow for the effective operation of the staff professional learning program: 27 February; 27 March; 8 May; 5 June; 14 August; 11 September; 23 October; 20 November.

Semester 1, 2017
Classes for all students commence on Thursday 2 February 2017.

Joy and peace at Christmas
One name associated with the birth of Jesus was the name of promise from Hebrew scripture ‘Emmanuel’ – ‘God with us’. In his birth this promise was fulfilled. As we celebrate this continued presence of Emmanuel among us, may we experience the joy and peace of Christmas, blessings in the New Year and a safe and enjoyable break.

Change of Bus Routes St Paul’s Campus

Due to the lack of student numbers catching the Laverton North bus over several years, we were advised by Public Transport Victoria (PTV), that running this service as a standalone was no longer viable.

I met with PTV and they have fortunately have been able to provide a suitable alternate arrangement to their bus routes, which will combine the existing Altona Meadows and Laverton North services.

Morning

Laverton North (Old Route)
Departs 7.45am Old Geelong Road/Bladin Street /Maher Road/Point Cook Road/ Central Avenue to Victoria Street/Queen Street (Last Pick Up)

Altona Meadows (Old Route)
Departs 7.45am Merton/Queen (pick up at shopping centre), goes down Merton Street, around Victoria Street, down Everingham Road, right into Queen Street. Bus is then express to St Paul’s.

Altona Meadows/Laverton (New Route)
Departs 7.35am Old Geelong Road/Bladin Street /Maher Road/Point Cook Road/ Central Avenue, right into Merton, around Victoria Street, right into Queen Street. Bus is then express to St Paul’s.

Afternoon - Departing from St Paul’s at 3.15pm

Altona Meadows (Old Route)  
Express to corner of Merton Street and Queen Street (1st Drop) then left into Victoria Street, right into Everingham Road and right into Queen Street.

Laverton North (Old Route)  
Express to corner Queen & Merton Street. Left into Queen and U Turn at Queen and Everingham, continue along Queen/Central Ave, right into Point Cook Road, right into Triholm Avenue, left over railway crossing, right into Maher Rd, left into Bladin St to the Corner Old Geelong Rd and Bladin St.

Altona Meadows/Laverton (New Route)  
Express to corner of Queen Street and Victoria Street (1st Drop) then left into Victoria Street, right into Merton Street. Left into Central, right into Point Cook Road, right into Triholm Avenue, left over railway crossing, right into Maher Rd, left into Bladin St to the Corner Old Geelong Road and Bladin St.

The two existing services overlapped, the new service will now provide an extension to the existing Altona Meadows route to include Laverton North. The most significant difference will be a 7.35am start to ensure students arrive at school for the start of the day.

Parents of students catching the existing routes will be sent a CareMonkey notification regarding the changes asked to accept or decline this new service. Any other student wanting to use this new service will need to contact Sarah Dinan (Student Services) on 8325 5100.

This new service will begin from the first day back, starting Thursday 2 February.

Campus Leaders

2016 brought with it an incredible opportunity for personal growth, the excitement of learning, the adventure of trying new things and the richness of building relationships. As the boys and girls left both campuses for their summer holidays it seemed like just yesterday that they were arriving for their first day of the year. But their physical growth and developed emotional maturity is clear. Once again we are fulfilled and blessed to have joined your child in their journey this year.

As students departed, when asked “What was your highlight of the year?” their responses were many and varied. At Notre Dame they included: Project Days were a curriculum highlight; House and SACCSS Swimming, Athletics and Cross Country Carnivals, SACCSS Golf and Tennis Tournaments, the Premier League competition, DAV Debating and the Talent Quest. St Paul’s students identified many of the same events including: Project Days, House Competitions, ACC Sports, Swimming Carnival, Athletics Carnival, excursions, Camps, Retreats, Seminar days, Cross Country Carnivals, Soccer Academy, Student Leadership Programs, DAV Debating, Talent Quest and College production. The list went on and on. Such a variety of curricular, co-curricular and extracurricular activities ensured that there was something for everyone to be involved in and experience success. The student involvement in the extracurricular activities has been fantastic.

Both campuses celebrated the end of the year with a Mass on 6 December. Also on that day at House Assemblies, the achievements of the students who were awarded a certificate in either Excellence in Academic Achievement or Personal Best Effort were recognised and presented. Congratulations to all the students who received Academic awards, either at the Celebration of Excellence Evening or at the House Assembly, and we encourage all students to work diligently next year to ensure their personal best.

This year’s Inter–House Competition produced enthusiasm, a competitive spirit and house pride at both campuses. After a year of intense competition and great participation, the House Champions and House Spirit winners at Notre Dame go to McCoy and Cassidy House respectively. At St Paul’s the House Champions was Winters House. Congratulations to all for the sportsmanship shown. We look forward to the House competition next year where all Houses can try to improve on their current performance.

The Orientation Day for the 2017 Year 7 students was a fantastic morning. It was great to see the smiling enthusiastic students who will be joining our community next year. At both campuses the House Assembly and Homeroom session ensured students were immersed in the culture and values of their House and made new acquaintances, and hopefully will feel a little more comfortable making the transition to Emmanuel College in the new year.

Just a reminder, the first day of the 2017 school year for all levels is Thursday 2 February.

At the end of this newsletter is the last article from Michael Grose’s Parenting Ideas for 2016. This weeks article is about earning the right and not assuming a sense of entitlement as this is a life lesson which parents, teachers and coaches must instil in children. Please take a moment to read this interesting article.

Changes to routine can cause some young people to feel stressed, isolated and alone. Parent support is very important at this time. Attached is some information to help you support young people to stay in a healthy headspace in school holidays. There is also some information that may help you to identify when your young person might need some extra support and where to go for help.

The St Paul’s campus uniform shop is now closed. You can purchase any uniform items from Noone’s which is located at 54 Old Geelong Road, Hoppers Crossing - adjacent to the Spotlight store. The trading hours are as follows:-

Monday – Friday 9am-5.30pm
Saturday 9am – 1pm
Telephone: 9749 0543

Thank you to all the students, parents and staff at Emmanuel College for what has been a fantastic year. We pray that all families experience holy days on their holidays and reflect on the true meaning of Christmas. We wish all families a very happy, safe and restful break. We look forward to your ongoing support in the education of your child in the New Year. Thank you very much for your kind words over the year and we’re looking forward to your continued support into 2017.

Soup Van Christmas Party
On Sunday 11 December the Matthew Talbot Soup Van had its annual Christmas party which this year was held at the St Augustine parish hall. Emmanuel College generously supplied its buses so we could collect those in our community who are less fortunate than ourselves. Over 400 people gathered to share a meal along with volunteers from all different nights. Joined by Santa Claus himself, families and children had the opportunity to come together to celebrate Christmas in the joyful spirit it deserves. Thank you to those students and staff who came along and gave so generously of their time.

St Augustine’s Parish
I would like to thank all those students who joined us at St Augustine’s Parish on Sunday 11 December. Coming together as a parish community is a wonderful way of celebrating our catholic faith together particularly joining in our Eucharistic Celebrations. Mr Stock and Mr Pichner, joined the parish on the day with the parish community.

World Challenge - Cambodia
As I have mentioned many times this year, Emmanuel College had 5 students and 2 staff join World Challenge in Cambodia over the last two weeks. Although over the next number of newsletters the students themselves will offer some reflections about their experience, I would like to formally welcome them back to the College and thank them all for representing the College so well. Fourteen days in another country is an outstanding effort particularly doing the wonderful work you all did working in communities with children and schools and supporting in the way that Emmanuel College does so well. Congratulations.

College Chaplains
As this is our final newsletter for the year, I would like to take the opportunity to sincerely thank our College Chaplains who have been such a wonderful support in the faith dimension of the College. Thank you to Fr Greg Trythall, Fr John Healy, Fr Anthony, Fr Paul Tru and Fr Daryl for your continued support of our College masses and seminar days and Fr John O’Connor for supporting our canonical meetings. I know that your parish lives demand so much of all your time and we as a College truly appreciate you taking some of this precious time and sharing it with us. I would also like to thank you all for allowing us to join with your parishes on Sundays with students that have come from your parishes. I wish you all a safe and joyous Christmas.

Prayer
In this season of expectation we prepare to welcome Christ Jesus, Messiah into the hustle of our lives and the hard to find moments of solitude. We prepare to welcome Christ Jesus, Messiah into our homes and situations along with friends and families. We prepare to welcome Christ Jesus, Messiah into our hearts, and those often hidden parts of our lives. You entered this world as vulnerable as any one of us in order to nail that vulnerability to the cross. Our fears, our insecurities and our sins all that can separate us from God exchanged by your Grace for Love. We cannot comprehend the reasoning only marvel that Salvation comes to us through a baby born in a stable, and reaches out to a world in need.

Chris O’Malley
Leader of Learning

Congratulations to all students on working towards their personal best this year. In particular, I would like to extend my congratulations to the Year 12 class of 2016. We wish you every success in the future.

We have had some queries regarding the number of new text books for 2017. In 2017 the Victorian Curriculum begins. This will replace the AusVELs curriculum that we have been working with to date. Consequently, some areas have substantially changed and the publishers have found it necessary to provide completely new text. In addition, all areas have experienced some change and therefore editions have been updated to reflect this. As a VCE level there are several courses with new Study Designs for 2017 and similar issues exist for these texts.

Semester Two Reports – Online
Year 7-11 reports are available via our Parent Access Module. This means that we will not be mailing home reports. Instead you will have the capacity to electronically store the report for your child and print it out and keep hard copies if you wish. Please note that we no longer provide written comments on the end of Semester Report. For feedback on your child’s assessment please view the task feedback in the Learning Areas on PAM.

I would like to take this opportunity to congratulate all students on their achievements this year as they worked towards achieving their personal best. I would also like to thank parents for their ongoing support of your child’s learning and look forward to another successful year in 2017.

I wish all families a very holy, happy and safe Christmas.

Pastoral Report 2016

Congratulations to all staff and students from both campuses, who were part of the orientation program involving our Emmanuel College Year 7 2017 students. Staff and student leaders met and welcomed our new Year 7 students and guided them through interactive and engaging activities and help facilitate tours on each campus. The current Year 7s were able to ease any anxieties and fears of our new Year 7s relating some of their experiences and articulating that they themselves were in the same position only 12 months ago, and 12 months later they are supporting, facilitating and leading with great confidence the orientation activities.

It was a privilege for us being on the inaugural Year 12 Student Leadership Camp held after the Year 11 exams concluded. The dedication and commitment expressed by these fine young women and men towards strengthening the Emmanuel Community was impressive. Each of these Leaders were determined to leave a legacy that encapsulates what the Emmanuel College motto is: “Life to the Full”. As Hung Lam quoted Pope Francis, “Let us never forget that authentic power is service”. It is service that these leaders will embrace in the areas of Academic, Arts, Sport, Environment, Resilience and Wellbeing, Liturgy and Social Justice. Through their service, the entire Emmanuel Community will continue to grow through Homerooms, House and whole school events to produce women and men that enter society aware of the responsibility they have to make it a better place for all.

VCE Early Leave 2017

As a consequence of the VCE Curriculum structure, there are occasions when VCE students will be dismissed earlier than 3.10pm. Year 12 students and some Year 11s will have allocated Study Periods on their timetable and they will normally attend study hall in the designated area.

All students who have study hall in Period 1 are required to be at homeroom and therefore will be present from 8.30am as normal. Any student, who has study hall during the last scheduled period for the day, may be dismissed.

There may be a Period 4 where no class has been assigned due to other College commitments, for example interschool sport. Generally, students are not expected to attend the College at these times, as outlined below. However, this time will be used regularly for students to undertake School Assessed Coursework (SACs). Students who have been given approved absence from school, whilst an assessment task was being undertaken, may be asked to use this time to complete the task. VET students may also have classes to attend on these afternoons. Therefore, no permanent commitment to any other activity should be planned, students are not to use this time for a part-time/casual job.

It is important that students use this time wisely. Students may use this time for research, either in the College or an alternative library. It is assumed that students not involved in the above activities will make their way home directly to start their homework or study.

YEAR 12

SPC  Wednesday (Weeks A & B) all Year 12 students are dismissed from classes at 1.05 pm
     (except for students undertaking Specialist Maths, Japanese & Product Design Technology).
     Friday (Week B only) all Year 12 students are dismissed from classes at 1.05 pm

Orientation 2017 – Welcoming the Newest Members of Our Emmanuel College Community

On Tuesday 29 November 2016 the newest members of our Emmanuel College community, joined us for the day as a part of their Life to the Full (Transition) programme. The excitement was palpable as they entered the school gates for what is to be the beginning of their secondary education journey.

The current Year 7s and College Leaders were on hand to welcome parents and students and to help quell any initial nervousness. Interactions were established quickly between the newest members and the rest of the Emmanuel College community, and as a result all nerves were quickly dispelled.

Strengthening their knowledge of the school and its current community, activities centred on getting to know each other, and games around building new friendships were played. Current Year 7s and Leaders assisted in guiding school tours, allowing our newest members to orient themselves and feel comfortable with their new surroundings. The highlight was witnessing the warmth and welcome of the newest members into their Homeroom group. Some of the groups challenged themselves to work as a team to build towers, others formed teams for sporting activities, whilst many played a range of ‘getting to know you’ games.

At parent pick-up, the initial excitement was present again as they shared the experiences they had with one another and their parents. Parents were also relieved to see the big smiles and hear the excited stories. Both parents and students left Emmanuel College confident in the knowledge that they are a part of a loving and caring community that is supportive of their sons and daughters emotional, spiritual and academic growth.

Earning the right and not assuming a sense of entitlement is a life lesson parents, teachers and coaches must instil in children.

On talk-back radio recently I heard a caller tell a timely story about how as a child she was lucky enough to receive riding lessons from a renowned horse expert.

He had one condition. She had to earn the right to be taught to ride a horse. That meant she had to muck out the stables; brush and feed the horse; look after the gear and do everything else required to look after a horse. Only when she’d proved herself could she earn the right to ride a horse under his tutelage.

This caller said this powerful lesson shaped her entire life. It taught her that there were no entitlements in life; to work hard and value her achievements. She never took anything for granted.

Contrast this with the extraordinary sense of entitlement of Australian tennis players Nick Kyrgios and Bernard Tomic who routinely treat the public, players and the game that serves them well, with utter disdain. Their attitude of entitlement is mind-boggling, not to say embarrassing to reasonable-minded, hard-working people.

Our kids should earn the right
The talk-back caller’s earning the right story is a fabulous lesson for all parents and teachers. If we want to raise a generation to appreciate what they have, then we shouldn’t give children or young people everything on a platter. In an era of small families, child pester power and relative affluence it’s tempting to simply give kids what they want.

“Dad, can I have a…?”
“Sure!”

The Rolling Stones were right four decades ago when they sang, “You can’t always get what you want!” Those words form a great child-rearing lesson. That is, just because you can provide something for your kids, doesn’t mean that you do.

They need to earn the right to have something by saving, working for or simply waiting until they are old enough to appreciate it.

Similarly, kids don’t automatically have a right to greater freedoms such as going out at night; those rights need to be earned by proving they are trustworthy.

Also, kids who think they are entitled to use a part of the house such as a living room without cleaning up mess are acting with a false sense of entitlement.

In fact, there are no entitlements, only rights. And rights are earned by being responsible.

A child has a right to use the living room but they also have a responsibility to clean up a rather than leave it a pigsty. A night banished to their room is a reminder that spending time in the living room is not an entitlement. It’s a right that comes with conditions.

Earning the right! A simple phrase with so much complexity.

I suspect it’s a phrase that neither Nick Kyrgios or Bernard Tomic heard much when they were growing up. Maybe their parents thought their prodigious talents excused them from having conditions placed upon them. If so, they did them no favours as good manners, gratitude and graciousness appear to be lacking in their social repertoires.

It usually takes a parent, teacher or coach to remind kids that they have to earn the right to have things, to do things and ultimately to be respected. That’s a lesson that stays for life.
Holidays can take students away from friends and their usual school supports. Changes to routine can cause some young people to feel stressed, isolated and alone. Parent support is very important at this time.

Below is some information to help you support young people to stay in a healthy headspace in school holidays. There is also some information that may help you to identify when your young person might need some extra support and where to go for help.

There are a number of ways you can support your young person’s mental health and wellbeing in the holidays:

1. Encourage them to stay connected

Social relationships are important to your young person’s general wellbeing. It is okay if they take time out for themselves at times, but encourage them to keep in contact with friends over the holidays. Friends can provide both play and support, and spending time with friends is also important for keeping and building on existing friendships.

If your young person is not feeling up to going out, even a phone call, email, text message or Facebook message can help them to feel connected to friends and family.

2. Encourage them to stay involved

Encourage involvement with volunteer work, hobbies, clubs or committees, or sports – these can help young people feel connected to their wider community. Participate with them when you can.

Involve them in decisions and give them responsibility at home (e.g. deciding what to eat for dinner and helping to prepare it).

Help them to identify and set realistic goals. Setting and achieving realistic goals can be incredibly motivating and can help build self-confidence.

3. Encourage physical activity

Physical activity is important for everyone’s health and wellbeing. If your young person is feeling down or finding things are difficult, physical activity may be the last thing they feel like doing. But even small activities, like walking around the block, can help relieve stress and frustration, provide a good distraction from worrying thoughts, improve concentration and improve mood.

If your young person is struggling to get active, find a physical activity that you both enjoy and can do together (e.g. swimming, playing sports with friends or cycling) and make a plan to do it regularly.

4. Encourage a regular routine

Getting a good night’s sleep helps young people to feel energised, focused and motivated.

Adolescence is a time when a number of changes to the “body clock” impact on sleeping patterns and young people are more likely to have problems with sleep. Developing a sleeping routine can help. Encourage your young person to wake up around the same time each day, get out of bed when they wake up, and go to bed around the same time each night.

Avoiding caffeine after lunchtime, having a quiet, dark and uncluttered bedroom and shutting down electronic devices before bed can also help them to get a good night’s sleep.

5. Encourage healthy eating habits

Eating well doesn’t only reduce the risk of physical health problems, like heart disease and diabetes, but it can also help with sleeping patterns, energy levels, mood, and general health and wellbeing.

A good balanced diet with less junk food/ lots of sugars and more vegies, fruit, whole grains and plenty of water will ensure your young person has all of the vitamins and minerals to help their body and brain function well.

6. Encourage play!

Devoting time to just having fun can help to recharge your young person’s battery, revitalise their social networks and reduce stress and anxiety.
Changes in activity include:
- Not enjoying or not wanting to be involved in things they would normally enjoy
- Being involved in risky behaviour they would normally avoid
- Unusual sleeping or eating habits

Changes in thinking include:
- Having a lot of negative thoughts
- Expressing distorted thoughts about themselves and the world (e.g. everything seeming bad and pointless).

Signs that may suggest that your young person is struggling

It is normal for young people to have ups and downs. However, changes in mood, levels of participation, and thinking patterns which persist for more than a couple of weeks may indicate that your young person needs extra support.

Changes in mood include:
- Being irritable or angry with friends or family for no apparent reason
- Feeling tense, restless, stressed or worried
- Crying for no apparent reason, feeling sad or down for long periods of time

If you believe that your young person is at risk of harm you should seek professional support from your GP, mental health service or emergency department.

Tips to help you support your young person

1. **Recognise** their distress or concerning behaviour
2. **Ask** them about it (e.g. “I’ve noticed you seem to be sad a lot at the moment.”)
3. **Acknowledge** their feelings (e.g. “That seems like a really hard place to be in/I can understand why you are upset about that.”)
4. **Get appropriate support** and encourage healthy coping strategies (e.g. “Do you need some help to handle this?”)
5. **Check in** a short time afterwards to see how they are going
