PRINCIPAL'S Reflection

The key event of Term 4 was the opening of the Resing Art Building. The opportunity to invite Brother Bob Resing back to the College was significant. The students were able to hear of the history of the College from a dedicated Marianist, and the College was blessed to have had someone like Brother Bob, who taught Art to the boys at the St Paul's Campus in the 1970's and 1980s.

In speaking to Brother Bob after he had seen both the St Paul's Campus and the Notre Dame Campus, it was heartening to hear Br Bob say that he could see that the Marianist spirit was alive and well at Emmanuel College. This is something for which all the College educators should be extremely proud. As Marianist educators, we seek to provide an environment where our students can be immersed in the five characteristics of Marianist education:

- Educate for Formation in Faith
- Educate in Family Spirit
- Provide an Integral, Quality Education
- Educate for Adaptation and Change
- Educate for Service, Justice, Peace and the Integrity of Creation

It is very clear to any who visit that Emmanuel College is a Catholic and Marianist school. It is evident in the warm welcome, the ways that community members engage with one another, the lessons within and outside of classrooms and in the extra efforts made, for social justice and for the environment.

In farewelling the Year 12 class of 2023 at their graduation, the words of Chaminade captured clearly our hopes for these students who were embarking on their future. This is our vision for all our students: "By educating the mind and the heart, the school can form people who in turn can work at changing the very structures of their society to ensure a community of justice and reconciliation."

Brophy Scholarship

Congratulations to Lily McColl, our inaugural female College Dux and Brophy Scholar, on her outstanding ATAR ranking of 98.85. Lily also attained a perfect study score in Visual Communication Design. As College Brophy Scholar for 2023, Lily receives \$1000 per year for the three years of her undergraduate course in Design/Architecture at The University of Melbourne. Well done Lily on also receiving a University of Melbourne Scholarship.

VCE High Achievers

Well done to the Class of 2023 for their inspiring efforts through the challenges of this year and their impressive results. It was great to see that the College once again significantly out-performed the state average in ATAR results.

YEAR 12 CELEBRATIONS

With a full year of uninterrupted learning we saw our students thrive in the classrooms. For the class of 2023, this proved invaluable as they completed their final year of school. Commencing with the Year 12 Retreat, students embraced a wealth of academic and co-curricular opportunities, all of which contributed to their pursuit of personal best.

Students celebrated the completion of Year 12 with a Graduation Mass and Ceremony, held at St Patricks Cathedral and the Sofitel Hotel respectively. It was wonderful to host an evening with jubilant families, friends and staff to commemorate a remarkable achievement.

SACCSS Awards

Congratulations to Year 9 and 12, 2023 students Lucy Cleveland and Bailey Dumesny who have been awarded the SACCSS Sportsman/Fair Play Award. The SACCSS Sportsman/Fair Play Award recognises individual acts of sportsmanship and/or fair play by participants of students at school sporting events. Congratulations to both for such a wonderful achievement.

Celebration of Excellence

On November 23, the College held its annual Celebration of Excellence evening; an event that recognises the academic and personal best achievements of students. It was wonderful to return to Flemington Racecourse and celebrate the breadth of excellence across all year levels.

Congratulations to Lily McColl (Year 12, NDC) and Ben Schaper (Year 12, SPC) and Alessio Martinello (Year 12, SPC) who were the recipients of the Student Marianist Award, and to Mr Branislav Ljuboja and Mrs Leanne Meilak on receiving the Staff Marianist Award, a testament to their display of values characterised by our Marianist education.

Year 7 Orientation Day

In November we welcomed our incoming Year 7s on campus for Orientation Day. Boasting exuberant smiles under blue skies, students gathered in the hall at their campus for a brief assembly where they met their House Leader and peers. Following this, students moved off to complete a variety of activities, sport games and a tour of the school. Orientation Day is one of many transition programs offered at the College to facilitate a seamless integration to secondary school, ensuring our new students feel confident and prepared prior to their first day is paramount.

Remembrance Day

On November 11, we paused to Honour the fortitude and valour demonstrated by the women and men who served in World War 1. It is tradition to observe a minute's silence in recognition of the ANZACS who championed the freedom and wealth of our nation.

To ensure the significance of WW1 is acknowledged by the young women and men of the College, Student Leaders conducted the service through COMMBOXES within the classrooms.

Around the world, LFC International Academies provide young players with an opportunity to develop, learning new techniques and skills - all under the guidance of coaching staff.

Utilising content taken directly from Liverpool FC and demonstrations from LFC role models, the program can further develop your game to the next level.

By creating environments that inspire students to be the best they can be through the extensive training programs, which have produced many world class players, students have the opportunity to access these high level skill development clinics.
