- 3 He lived in Broome.
- 4 He played representative basketball and Brett Brown (coach of the Philadelphia 76ers) once said that he has the best defensive positioning he had seen!
- 5 He played VFL for Williamstown.
- 6 He started playing senior soccer at the age of 40.

I have been a teacher since 2002. I went to Melbourne University and studied teaching after I completed a Marine Biology degree.

I began working at Emmanuel College in 2010, the same year I married my wonderful wife who puts up with me! Since starting at Emmanuel our family now has grown with three kids (two boys and a girl) and we have moved to Portarlington. I commute from Portarlington every day to work with the VCAL and VET students of Emmanuel. Only an hour and 20 minutes' drive each day... now that's love!

I was raised in Altona and lived in the west for most of my life, so I probably know some of the parents of the College from outside of school.

LIFE TO THE FULL
