I grew up in the western suburbs of Melbourne with one brother and one sister. I still live in the western suburbs today. I enjoyed playing many different sports growing up such as softball, netball and taekwondo. I played in many grand finals but was never able to win one.

I love to travel and have done some amazing trips overseas, such as back packing around America and Canada. I also have been to Germany, England, Holland, Bali, Fiji and Tahiti.

In my spare time I love going to the ballet, musicals and watching my beloved Essendon football club play. I enjoy doing crosswords and one day hope to complete a cryptic crossword in full which I'm yet to do. I have a caravan in Maldon on the Lodden river and love to pop up there whenever I can.

I enjoy my work, and think it is very important that you enjoy what you do as you have to do it for a long time.

LIFE TO THE FULL
